

## Equipment

# Horizontal drainage Chain trenchers

|                       |                 |
|-----------------------|-----------------|
| Type                  | Interdrain 4045 |
| Weight                | 35 tonnes       |
| Total power installed | 475 kW          |
| Length                | 13.5 m          |
| Width                 | 3 m             |
| Maximum digging depth | 6 m             |
| Maximum digging width | 0.40 m          |

|                       |                 |
|-----------------------|-----------------|
| Type                  | Interdrain 1515 |
| Weight                | 9 tonnes        |
| Total power installed | 160 kW          |
| Length                | 7.5 m           |
| Width                 | 2 m             |
| Maximum digging depth | 1.80 m          |
| Maximum digging width | 0.24 m          |
